

## IN THE BEGINNING “Inception”

As you will come to see, this is not a ‘general’ post. This is a culmination from numerous weeks of prayer, reading & research. My prayer is to “sound an alarm”! As you read, I pray you will read this in its entirety. And as I have, you too, will make it a matter of prayer. I have asked to Lord, daily, to please shine **His light** upon me; upon my heart. Reveal what is not pleasing to Him; for it is He who we should please. We should “*be a DOER of the Word, NOT “hearers” only, deceiving our own selves.*”

It’s not too difficult to see how RAPIDLY things are CHANGING! Honestly, I don’t know how those who do not serve Christ, keep a sane mind.

I have been VERY DISTURBED over these past few months.... IN MY SPIRIT! The Lord WILL NOT LET THIS PASS FROM ME!

He has drawn my thoughts to several places, and as I began praying... reading His Word.... & Studying ... it seems.... THE MORE I READ... both, in the Word.... & in other books & resources....THE MORE “ALARMED” I HAVE BECOME!

Several weeks back.... While in my own prayer & devotion time... I felt the Lord speak to me,  
... “In the beginning” ....

Because of knowing that is the very 1st words of His Word.... I thought He was directing me to read in Genesis. So I did. That speaking did not stop. I kept hearing Him in that ‘still small voice’ .... “In the beginning”.... Then my “ears were opened”..... INCEPTION! EVERYTHING, Except God, has a BEGINNING.... An INCEPTION. EVERYTHING!

Through the next couple of days, I began to pray that He would enlighten me as to what He was speaking..... Then, I seen it! I could not really believe what I was seeing.... But I did!

On May 16th, I made a post on Facebook, asking for comments: (here is that post)

*I'm not being facetious....  
But I want to honestly know....*

*DO YOU FIND THIS WRONG...APPALLING??  
If he “feels” this presentation is ok...  
WHY wouldn't it be?*

*What do you have to SUPPORT your “feelings”?*

I did receive numerous comments. Thank you to those who did.

Knowing that this will become offensive to some; please know, that is not my intentions. I am praying as I am writing, asking the Holy Ghost to ‘pen’ through me.

If we ever lived in an age where “all goes”, it is now. If we ever lived in “Noah’s day”, it is now. I can almost smell the stench of Sodom. I can almost hear the voice of God, about to declare His judgment. It frightens, yet admonishes me the more....to serve Him greater!

MORE THAN ANYTHING.... I DO NOT WANT TO BE LEFT!

I DON’T WANT MY CHILD, NOR MY SPOUSE.... TO BE LEFT!

So, as I reflect now on, "Inception"...I pray you too will see, what the Lord is telling us.

When something 'first comes on the scene', all take notice. If it's something 'good'.... It seems, each will do what ever means necessary, to "get one"; be it a certain vehicle, the latest 'gadget', etc. WE WANT ONE! However, when it is something that most of us is 'uncomfortable' with.... We gasp, or become appalled. Such as, the Facebook post that I made on May 16...the "man-dress". Some of us could not believe it! Some laughed & said, that guy is stup\*d, some even said, "you would never catch me....".

As "out of place" as that is RIGHT NOW, in our time, .... It is an INCEPTION! It is "the beginning" of an 'act'!

So right now, I would like to take you BACK IN TIME, to allow you to see, all the Lord has brought me to. In my studies, I found out one thing in common..... Since 1900, EVERY 10 YEARS.... SOMETHING had a "beginning".

Many of those things, people COULD NOT BELIEVE IT.... But THROUGH TIME.... IT BECAME "ACCEPTABLE"... THE "NORM". We were no longer appalled by it! It no longer caused us to gasp! "Little by little"... it became PART OF LIFE.

And now...  
INCEPTION..... FROM THE 1900'S UNTIL NOW!

(the findings you will see, are not of my own personal opinion, but documentation & actual quotes, through numerous online study sources.)

**Ear piercing** is one of the oldest known forms of body modification. soldiers of the Persian Empire first began wearing an earring. As time lapses, earrings were only worn in Egypt by children. In the US, by the late 1950s or early 1960s, the practice re-emerged and in the late 1960s, ear piercing began to make inroads among men through the hippie and gay communities. By the early 1970s, ear piercing was common among women and in the late 1970s among the punk rock community, multiple piercings became popular. Today, piercings extend beyond the ear. In 1993, navel piercing became popular and by 2007, full **body piercings** were the norm.

An 1892 Duke of Durham box of machine-rolled cigarettes

The first commercial cigarettes were made in 1865 by Washington Duke on his 300-acre farm in Raleigh, North Carolina. His hand-rolled cigarettes were sold to soldiers at the end of the Civil War.

In 1902 Philip Morris company came out with its Marlboro brand. The selling of cigarettes were mainly to men. Everything changed during World War I (1914-18) and World War II (1939-45). Soldiers overseas were given free cigarettes every day. At home production increased and cigarettes were being marketed to women too. More than any other war, World War II brought more independence for women. Many of them went to work and started smoking for the first time while their husbands were away.
